

GAMING

TAILORED RISK AND INSURANCE SOLUTIONS FOR THE GAMING INDUSTRY

The stakes are high in the gaming industry. Your diverse, ever-evolving company has very specific needs. Staying competitive while maintaining growth amidst the challenges of the gaming industry is easier when you've got a team of experts at-the-ready.

We both know Lady Luck has little to do with it. At Industria Risk & Insurance Services we've hand-picked a team of global professionals with significant gaming experience who will give you the unique tools you need to keep your guests and employees safe, while promoting your business.

WE CAN PARLAY

- Bingo Parlors
- Card Rooms
- Commercial Casinos
- Dockside and Riverboat Casinos
- Horse Tracks
- Lotteries
- Online Wagering
- Racinos

WHAT'S IN IT FOR YOU

You get a bespoke insurance solution that fits your needs—a customized way to ensure your risk and insurance needs are covered, giving your guests the peace of mind required to come back for the next hand. Our experts will carefully examine your needs and work closely with you to develop creative solutions for new programs or expand upon existing ones. All while helping you reduce costs and increase revenue streams.

Our gaming experts know that nothing is more important than the safety and security of your guests. They also know how to seamlessly incorporate the right loss control elements into your uniquely dynamic environment. Working with Industria Risk &

Insurance Services, you can bet your risk and insurance solutions will be designed to achieve the coverage enhancements and cost savings you deserve, without compromising the value of a fully tailored risk management program.

STREAMLINED EFFICIENCY

We use gaming specialists as your day-to-day service team who are truly experts in understanding your risk and insurance needs.

SAFETY AND LOSS CONTROL

The Industria Risk & Insurance Services team provides an unmatched approach to address all of your safety and security needs, loss prevention and lost cost reduction strategies, including but not limited to:

- Providing assistance in the reduction of loss frequency and severity to improve operational efficiency and enhance insurance program terms and conditions
- Developing cost-effective outsourced training and education services to enhance the technical knowledge, skills and credentials of your staff
- Providing tools to evaluate the cost-effectiveness of your loss control program efforts and communicating them to the insurance marketplace
