

LODGING

TAILORED RISK AND INSURANCE SOLUTIONS FOR THE LODGING INDUSTRY

The lodging industry is much more than just a place for your guests to find rest. The comfort of your guests is paramount. You want to lavish them with attention and the best customer service anywhere. You know this has everything to do with having employees who take pride in their work. Employees who go above and beyond for your guests.

Our team of consultants at Industria Risk & Insurance Services shares your passion for five-star customer service. We have years of practical experience helping those in the lodging industry. We understand that developing the right risk and insurance solutions takes dedication, hard work, and the right attitude. We provide you with the necessary tools to keep your guests and employees safe, and promote return business. Let us tailor a risk management program to fit your needs so you can focus on taking care of your guests.

WE CAN ACCOMMODATE

- Bed & Breakfasts
- Campgrounds
- Conference Centers
- Extended Stay Facilities
- Hotels
- Inns
- Lodges
- Motels
- Resorts

WHAT'S IN IT FOR YOU

You get a bespoke insurance solution that fits your needs—a customized way to insure your risk management needs are covered, giving your guests the peace of mind required to return for their next visit. Our efforts will assist in reducing payroll costs while increasing food, beverage, and occupancy revenue. Our team of experts will carefully examine your needs and work closely with you to develop new programs or expand

upon your existing ones. Your risk and insurance solutions can be designed to achieve the necessary coverage enhancements and cost savings you deserve.

STREAMLINED EFFICIENCY

We use lodging specialists as your day-to-day service team who are truly experts in understanding your risk and insurance needs.

SAFETY AND LOSS CONTROL

The Industria Risk & Insurance Services team provides an unmatched approach to address all of your safety and security needs, loss prevention and lost cost reduction strategies, including but not limited to:

- Providing assistance in the reduction of loss frequency and severity to improve operational efficiency and enhance insurance program terms and conditions
- Developing cost-effective outsourced training and education services to enhance the technical knowledge, skills and credentials of your staff
- Providing tools to evaluate the cost-effectiveness of your loss control program efforts and communicating them to the insurance marketplace
